[REDACTED] that the NCI, which is also known as the Allah Temple of Islam, is a religious cult, whose members regard ALLAH as their supreme being and claim to be the direct descendants of the original race on earth. The members fanatically follow the teachings of ALLAH, as interpreted by ALIJAH MOHAMMED, the "true prophet of ALLAH," and titular head of the NCI in the United States, and believe that any civil law which conflicts with the Muslim law should be disobeyed. The members disavow their allegiance to the United States and pledge their allegiance only to Islam and do not consider it their duty to register for Selective Service or serve in the United States Armed Forces, as they cannot serve two masters. According to the teachings of ALIJAH MOHAMMED, and the cult's ministers, the members of a minority race in the United States are not citizens of this country and will continue to be slaves until they free themselves by destroying non-Muslims and Christianity in the "War of Armageddon."
