LITTLE went on to state that the black man is the creator of the white man and this could be proven by a simple fact that black can produce brown, brown can produce red, red can produce yellow, etc., but the white cannot produce any other color. LITTLE stated that for years the black man has waited for Jesus to return, but he would not return and the white race themselves did not believe in the hereafter promised by Christianity. As proof MALCOLM referred to the incident of the recent sickness of President EISENHOWER and stated that the newspapers carried articles saying that EISENHOWER did not wish to receive the hereafter promised by Christianity but instead called for the doctor to save his life.
